### Buildings Are Inadequate For Attendance.

### DR. JACOBS OUT AGAIN

The News of a Week at Clinton—Dr. Jacobs Attends Church Service.

Brief News Items.

Clinton, Sep. 14.—The public schools of Clinton opened Thursday with an attendance of two hundred and thirty-seven pupils. Some of the rooms are overflowing. The teachers are Prof. E. H. Hall, Mrs. E. H. Hall, Misses Sara Copeland, Laurie Aull, Tallulah Newtelle, Jessie May Mahaffey, Mabel Samuels, and Ollie Johnson of Gaffney. A department of instrumental music under the direction of Mrs. Hall has been added this year.

The high school school opened also on Thursday with Mr. R. S. Owen as principal and Miss Annie Owen of Columbia as assistant. The enrollment was twenty-three.

The French school opened on Thursday with about as many pupils as the town schools.

Dr. Jacobs has been attending to his usual duties at the orphanage for a week or more. On Sunday morning he was at church for the first time since his accident and received warm welcomes after the service. The Rev. J. E. Mahaffey conducted the service and the congregation of the Methodist worshipped with the Presbyterians. The church was crowded and Mr. Mahaffey's sermon afforded general pleasure and profit. The only part taken by Dr. Jacobs was to welcome a new member and to pronounce the benediction. Dr. Jacobs' recovery has been surprisingly rapid.

A number of former students of the Presbyterian college have been visiting in town the past few days. Mr. Baker Smith of Rockville, Mr. E. L. Power of Abbeville, Mr. G. C. McDonald of Charlotte, and Mr. J. D. Frazier of Bluffton. Among other visitors are Miss Martha Johnstone of Newberry and Miss Eliza Horton of Columbia, who are guests of the Misses Dean.

A recent arrival is Miss Elliott, who will have charge of J. W. Copeland company's millinery department this season. She is making her home with Mrs. J. B. Parrott and has already made for herself a place in the social life of Clinton.

Miss Burkhead, who has been in charge of Bailey Brothers' millinery department the past two or three seasons, has returned and is again with Mrs. J. B. Parrott.

Miss Eunice Snyder, who has been visiting the families of Mr. John C. Davis and Mr. J. T. Robertson, is now the guest of Mrs. Foster Simpson in Laurens. On her return she will visit Miss Julia Kennedy a few days before returning on Saturday to Macon, Ga., where she makes her home with Mrs. Charles Akerman.

Mrs. James P. Davenport and Miss Gail of Brunswick, Georgia, have been visiting Mrs. C. M. Bailey.

The family of Prof. A. E. Spencer will return this week from their summer home at Montreat.

Mrs. A. V. Martin and Master Edward Barnett Martin returned Saturday from a month's visit to Atlanta.

Mrs. George Wright and children are visiting relatives in Abbeville.

Miss Mary Wright of Newberry is the fourth guest of Miss Zee Wright.

### NOW ON STREETS.

### Millions of Stomachs Refuse to Do Their Work Properly.

All over this broad land millions of stomach owners are being held in humiliating subjection just because they are so stubborn that they will not accept a safe, square and broad minded offer.

Life is short for all of us; it will be shorter for those who let their stomachs go from bad to worse.

The Laurens Drug Co. have a famous prescription called Mi-on-a, and they believe in thoroughly in its remarkable curative power. They say to every owner of a distressed stomach that they will guarantee Mi-on-a tablets to cure acute or chronic indigestion and all stomach ailments, or money back, and the price is only 50 cents a box.

And still there are stubborn people right in Laurens who won't accept this offer, but continue to suffer from gas on stomach, belching of sour food, stomach pain, foul breath, dizziness, flatulence and headaches, just because—just because—that's all, there is no other reason.

Mi-on-a tablets stop desperate agony in five minutes; they cure obstinate cases of indigestion, and turn the old stomach into a new one in a few weeks, or money back.

## HYOMEI

(PRONOUNCED HIGH-O-ME)  
Cures catarrh or money back. Just breathe it in. Complete outfit, including inhaler \$1. Extra bottles 50c. Druggists.

Our agency will show convincing evidence of 35 years extensive sale and highly satisfied users of the L. & M. Paint. All dealers in other points combined cannot furnish equal evidence. When painting with L. & M. you are painting with Metal Zinc Oxide combined with white lead. Zinc is impervious and makes the L. & M. wear and cover like gold. Its colors run in bright and lasting.
